**How does it feel to be in the world famous Elite Online Magazine?**

**Did you enjoy our shootfest in Malaga?** For sure it was an incredible experience! A big house in Malaga, amazing place to shoot and two good photographers!

**Who did you enjoy meeting most in Malaga?** I will never forget, the girls, all the group was connected, we had a lot of fun! I enjoyed meeting everybody there, they are all amazing people.

**What is it like modelling in your country?** In Argentina modeling is good... I think, not like in Europe, but it's good. We need to grow more artists out there.

**WHAT DO YOU THINK IS YOUR BEST FEATURE? I LIKE MY HAIR!**

A person with extensive tattoos is lying on a black leather couch. The tattoos include a large smiley face on the upper thigh, a skull on the lower thigh, and various other designs on the legs and arms. The person is wearing a black top. The background shows a white door and a window with a view of greenery.

## KOKO

**Hi Cubbi! Welcome to Elite Online Magazine, how are you today?** I am doing absolutely wonderful!!

**What part of the world are you from?** I am from the south of the United States, even though you would never be able to tell since I don't have a southern accent surprisingly!

**What's the dirtiest meal you regularly stuff your face with?** I can never say no to chips or fries. They are my kryptonite.

**Summer means festival season, got any dates or gigs you're looking out for?** I have actually never been to a festival and I feel like I'm seriously missing out! Who wants to go with me?! I'll drive!

**WHAT DO YOU THINK IS YOUR BEST FEATURE?** I FEEL LIKE MOST PEOPLE WOULD SAY MY BOOBS HAHA, BUT I WOULD HONESTLY SAY MAYBE MY EYES! FUN CUBBI FACT IS I HAVE HETEROCHROMIA IRIDIS WHICH MEANS MY EYES CHANGE COLOR FROM SUPER BLUE TO SUPER GREEN! I THINK IT'S SUPER FUN AND IT'S SOMETHING A LOT OF PEOPLE DON'T KNOW ABOUT ME!

**Summer is fast approaching here in the UK. What do you look forward to the most when the sun comes out?**

The warm weather! I appreciate the winter, but my heart is fully set on summer! Warm weather, bikinis, cookouts... how can you hate that? The only thing with summer is that people go swimming, which is a skill I'm not confident in yet haha, but maybe one day!

**Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains?**

Everyone nowadays with social media really has been stepping up their game with looks, outfits, locations, just everything! It's so inspiring to be around and support other people who have the same passions! Watching other peoples creativity soar inspires me in every aspect of my life!

**We're always fascinated to find out how our models keep in such tremendous shape. Do you work out? What's your secret?**

Well, long story short... about 3 years ago now, I let my eating and lack of exercise get a bit neglected and I weighed the most I ever have in my life and was very unhappy about it! Then I found a love for going to the gym and couldn't not go anymore! I lost over 100 pounds in just 2 years and since I have continued my love for working out and I work out 6 days a week every week. The secret is consistency! Keep at it and you will start to see results, once you see results you become addicted and want to keep working to keep seeing those sick results! I also don't restrict my diet anymore I used to eat super clean, but never had fun eating anymore because of it, so now I eat whatever makes me happy just in moderation and make sure to put the work in, at the gym later!

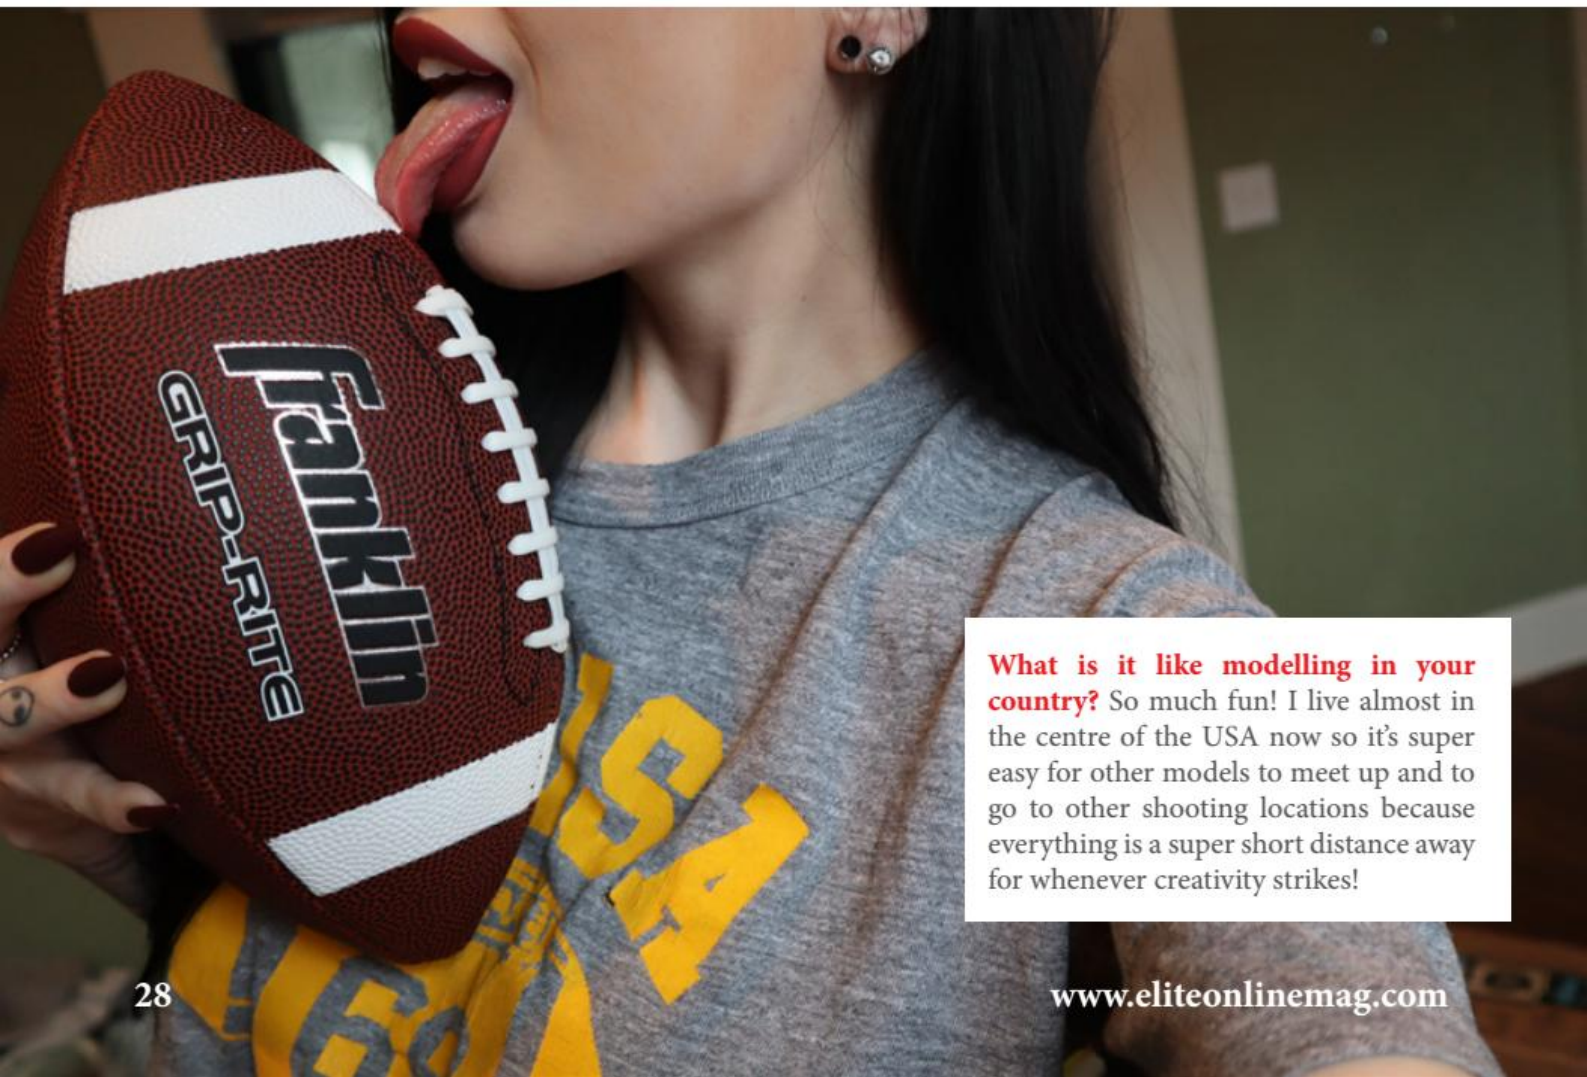

Photographer: Aaron Rabe

**What is it like modelling in your country?** So much fun! I live almost in the centre of the USA now so it's super easy for other models to meet up and to go to other shooting locations because everything is a super short distance away for whenever creativity strikes!

**WHAT HAVE YOU BEEN...**  
**...LISTENING TO RECENTLY?** MY MUSIC TASTE IS ALL OVER THE PLACE. I LIKE MUSIC FROM EVERY GENRE IMAGINABLE! LATELY I'VE BEEN VIBING WITH CHILL WAVE STUFF A LOT. IT'S SUPER LOWKEY, BUT DOESN'T PUT YOU TO SLEEP HAHA.

**...WATCHING RECENTLY?** OH MY GOSH SO MANY THINGS. THE OFFICE AND FRIENDS AS ALWAYS! I RECENTLY STARTED WATCHING BATES MOTEL EVEN THOUGH IT WAS ON TV YEARS AGO. I'M JUST WATCHING IT NOW AND I'M COMPLETELY OBSESSED!

**...WEARING RECENTLY?** NOTHING? HAHA, I LOVE TO BE NAKED MOST OF THE TIME, BUT WHEN I HAVE TO WEAR SOMETHING I LOVE WEARING A SIMPLE LACE BODYSUIT AND SWEATS! KEEPS THE WHOLE SEXY BUT COMFY THING GOING FOR ME!

# PAULA

**Hi Paula! Welcome to Elite Online Magazine, how are you today? Hello everyone! I'm feeling great! And you?**

**We are great thank you! What part of the world are you from? I'm from Brazil, but I live in Spain now!**

**What is your country famous for? Well people know Brazil for Carnival and football, but I need to say we have the most beautiful mountains and waterfalls too! The nature in Brazil is insane!**

**How do you say sexy in your native language?**  
We normal say "sexy" but the tradición is sensual!

**How does it feel to be in the world famous Elite Online Magazine?** I feel really grateful and happy to be in this magazine with so many beautiful girls that have inspired me too!

**Did you enjoy our shootfest in Malaga?** I loved, I met a lot of beautiful girls and also you! <3

**HAVE YOU GOT A MESSAGE FOR YOUR BRITISH FANS? I'M SO  
EXCITED FOR GOING TO LONDON! WAIT FOR ME AND LET'S MEET UP!**

Photographer: ATOM

**Who did you enjoy meeting most in Malaga?** I looooved to meet all the girls and had fun and saw girls that I have talked to for a long time! I went with my friend Dahlia from Spain, and we had a fun time with the girls too!

**What is it like modelling in your country?** I enjoy being a model in Spain, but I really would like to travel more and modeling in other country's too! I love to meet new people <3

**What do you think is your best feature?** I think I'm very positive! Haha I always try see the good side of everthing! And this means the world to me.

**Welcome to Elite Online Magazine. We're honoured to feature your platform. How are things?** Things are good. We've been busy getting ready for 4/20.

**You've got lots of exciting projects in the pipeline, but can we begin at the beginning... Where, when and why did the 420 Pinups journey start?** 420 Pinups started in 2012. I had a brand called Powder Puff Pinups, and since I was a marijuana smoker and supporter of marijuana normalization, I decided to start shooting weed pinups to help push the legalization/decriminalization movement forward. I thought it would help normalize marijuana to show it being used by beautiful, healthy women of all ages and walks of life.

**Pinups conjures images of 50s fashion and vintage beauty, was that a jumping off point for the brand?**

Our brand's style is a vintage one for sure, but we incorporate all eras into our work. We think of Pinup to mean anything you can pinup on your wall. We often shoot a 50s style, but we also frequently do 70s style, and also modern day SuicideGirls style Pinups.

**You of course showcase all kinds of styles and fashions, the more unique the better. Where do you find your collaborators? What's a 420 casting call like?** We get a lot of our models by word of mouth. One girl tells another girl about her experience and then she shoots with us and tells another girl. We work with any and all women who support marijuana not just established models.

**It's not just modelling of course. Photographers do tend to make the business go round. What do 420 photogs bring to a shoot?** The 420 team of photographers is currently made up of 25 ladies (and counting) who all host and create events that bring together women of all ages and races to share in a day of cannabis love, female bonding and of course photography and modeling to support some amazing 420 brands that we partner with. Some of the brands that have sponsored our shoots include Magic Butter, Cannabombz, Dutchie AZ, Curaleaf, Stoney Yoni, Long Island Glass, KT Scissorbaby Glass, Gentle Giant Glass, Herbal Remedy, Cookie Monster Creations, Yummy Stuff Edibles, THC Exchange, Le'Annes Infusions, Pete's Treats, KindTray, 8th Wonder Glass Gallery.

**The girls you feature are unique and strong in both style and the work they produce. Is there any coaching done on set, or are your ladies just naturally awesome?** We work with girls who range in experience from it being their first shoot to girls who are published cover models. We have our experienced models assist our new girls with pose coaching and facial expression tips like how to exhale gracefully and how not to cough on an inhale ;) you know? The secret tricks of weed models. It's a collaborative effort and we encourage everyone to help each other grow.

**Your mission is much like ours here at Elite; showcasing and empowering women with incredible creativity. How do you see the modelling scene right now?** I am so happy to see the modeling scene exploding with opportunity for girls of all shapes, sizes, ages, and races. The industry seems to be favouring any look or really any woman that has a strong personal style and is driven to connect with the fans who enjoy her uniqueness.

**Along with promoting creative women, you also promote The Herb. With so many benefits does it's current legal stance around the world perplex you?** I'm just grateful to see the truth finally spreading like wildfire and change occurring around the world (slower than I'd like but it is happening).

**There's so much more to modelling than looking good. Do you agree the craft is as important as the look? Models have to know what they're doing right?** I think everyone has to start somewhere and capturing the evolution is beautiful. We love to capture a girl at her present moment and help her celebrate her uniqueness at that time in her life while we help her grow her modeling career to the next level just like the marijuana plants growing to their potential that she is likely modeling with.

Photographer: Sunnie Rizzolo

WE HERE IN THE UK STILL  
REFUSE TO LEGALISE IT.  
MADNESS DON'T YOU  
THINK? I THINK POLITICS  
CONTINUES TO CLOUD  
THE TRUTH ABOUT THE  
MOST VALUABLE PLANT  
IN EXISTENCE. POLITICS  
IS MADNESS. I DO THINK  
IT WILL CHANGE IN THE  
NEXT 10 YEARS IF WE CAN  
KEEP THE INTERNET FREE  
AND OPEN TO EXCHANGE  
INFORMATION AND SPREAD  
THE TRUTH!

**Do you work closely with sisterhoods such as Suicide Girls? Or is there just an overlap between your two crews?**

I've been a SuicideGirls model and model recruiter since 2006 and a staff photographer since 2012, so any network or brand that I am building personally will always support the SG Sisterhood (and any other sisterhood out there for that matter). We strongly believe that there is enough to go around for everyone and that competition is a waste of time.

**Featuring in Elite enhances your already wonderful reputation. You have big plans to conquer the globe am I right?**

We are taking to a few new ladies and have plans to add 420 Pinups photographers in South America, Australia, Europe and Canada over the next 3 months. We can't wait to help push the marijuana movements forward all around the world.

**What is it like logistically setting up shoots all over the globe? It must take some achieving...**

We recently added a model/photography coordinator (Torie Suicide) to help keep things organized.

**Another project that you and Elite are very excited by is your "girls on glass" epic with Long Island Glass. Could you fill us in on the details?**

Brian and Joe at Long Island Glass developed a laser technique that transfers real photos onto glass. We have partnered up with them to create an exclusive line of 420 Pinups on handmade glass art. You can order handmade glass art with images of your favorite 420 Pinups on them, including pipe, bong, chillum, and non weed related items like pendants.

**What else have you guys been hatching of late? I understand growing the Pinup Toons line is picking up steam...**

We work with a pinup cartoonist named Popeye Wong who draws our photographs into toons. We are working on adding even more items to our clothing and product line and also working launching our new website this month.

**AEMELIA FOX**

Photographer: ATOM

**Welcome Aemelia, always a delight to feature a lady of your wonders. How have you been?** Hello Elite. I've been great! It's always a pleasure to return to your magazine.

**You're a very busy lady, with multiple fingers in multiple pies, so to speak. Do you ever struggle for inspiration going from shoot to shoot?** Sorry you lost me at pies. mmm... I am a very busy lady indeed and the fun never stops, neither does finding inspiration. I'm always on the look out for new styles/ideas for future shoots. I like to keep it fresh.

**WE GOT ALL SERIOUS THERE FOR  
A SEC, GEEZ!! BACK ON TRACK;  
WHAT UNDERWEAR ARE YOU  
WEARING RIGHT NOW? NONE!**

**You're a chameleon of a model, constantly changing what you produce and keeping your work fresh. Is that all instinct, or do you experiment with different poses, looks and body positions in your downtime?** I've been modelling professionally for 8 years now (I know, old) and my body has changed so much over the years. When I first started out I was a lot slimmer, so would work on being creative with what poses worked best for my figure. However in the past couple of years I've noticed my rear getting bigger (woo!) so I'll keep working on getting it bigger, so whenever on a shoot I can make it look poppin' I shall! It seems big bootys are in fashion, lucky me!

**Speaking of your look, how do you keep everything so immense? You've got to hit the gym pretty hard right? Please don't say it's just a high metabolism, we will cry.** I do gym, I have an awesome PT who has competed in many competitions himself so he knows exactly what he's doing with helping me grow my booty! Though I am lucky as my mum has a small waist and bigger hips. So I guess you could say, I got it from my mama?

**Tattoos are of course a massive part of your creativity. Do you see your ink as an evolving work in process, or is there a structured plan?** I don't plan to have any more for now... purely because I'm a sucker with the pain! I have planned out my next half sleeve and some extra pieces added to my leg, but now I would like to be pain free for as long as I can.

**We're speaking aesthetically of course, and a magnificent part of your aesthetic is a quite fabulous bottom. Do you understand people's fascination with that yet?** In the wise words of Sir Mix a Lot "I like big butts and I cannot lie!" And I think he speaks the truth for a lot of people out there.

**Diet is obviously very important to you Aemelia, as is being vegan. Have vegan choices improved as the lifestyle has gained popularity?** Vegan princess over here! And yes vegan choices are improving more and more each month I notice, which is great. Especially for myself as I am always traveling about and it can be hard to eat when on the road as a vegan, but the choices are definitely getting better. So is my stomach, ha!

Photographer: ATOM

**Could you give us a sample of one or some of your favourite vegan recipes?** My famous vegan mac and cheese! I've not had one as good as my own. Also I'm a sucker for baking banana bread!

**By the way, we're not having whisked chickpea water as mayo. That's vegan a thing right?** I've never tried this... but it probably is if it's involves chickpeas.

WHICH BRINGS US TO YOUR ELITE ONLINE AWESOMENESS THIS MONTH. HOW WAS YOUR COVER SHOOT? AWESOME! AS ALWAYS. IT'S ALWAYS SO MUCH FUN AND NEVER A DULL MOMENT.

**It's all about animal welfare though, and it's an important issue. We know you're an animal lover; humanity is looking at plastic in the ocean, but does more need to be done on a broader scale?** I believe our generation are the ones who fucked it up, and praying the next generation to come will only improve the world along with us, now we are realising there needs to be serious changes in the world. Everyone should go vegan and recycle, that would be a great start. Oh and donate to animal charities!

**You're involved in so many elements of the industry, one of my favourites bring the Suicide Girls. What does it mean to you being a part of that sisterhood?**

It's a great community and feels amazing to be part of that sisterhood. The adult/modeling industry doesn't have to always be about the perfect lad mag look, us emo's can do it too! I feel very grateful to be part of this and love the support shown for one another.

**Another industry leader you bolster with your involvement is Babestation. How did that come about?** I love it and I'm grateful to be part of the babe TV crew! I've made some wonderful friends for life and it's helped me further my career so much.

**Your work takes you all over, and to some exotic locales. Where is the best place you've shot?** In the Nevada desert with one of my favourite photographers, a guy called Daniel Rodriguez. I was told off by one of the guards for not wearing much and that I couldn't hike the red rock in my outfit (oops!) but we soon saw some dudes in Star Wars costumes who were shooting, so we carried on regardless and got some insane shots! I cannot wait to return.

**Our photographers are pretty big deals; quality personified. How did you get on?** I've been lucky to know them since day one of starting out, we're best friends - you'll never get rid of me!

Photographer: ATOM

Set the scene for our readers. We see the sexy results, but what goes on during an Aemelia Fox shoot? So much sexy stuff. Especially the burping, laughing until I pee, being a general goon. Lots of snacks and plenty of good vibes!

Summer is coming, hotness will soon be upon us. What does summer mean to you? Ice-cream? Festivals? Sunburn?

Festival season is upon us! Download, then LA, Boomtown and Elrow. Lots of partying... I cannot wait. Screw the ice cream I wanna sesh.

We're drawing to a close sadly. Before you go, make us all feel like we know you a little more. Whisper a secret about yourself in our ear... I'm a vegan who hates falafel, don't tell anyone...

**Welcome to Elite Online, how you doin'?**

Yaaaaay! I'm pretty damn good!

**Wonderful to have you featuring, what's it like being on the other end of our lens?**

It's one of my favourite lenses to be behind in the whole world! It's always so much fun.

**We're always fascinated to find out how our models keep in such tremendous shape. Do you work out? What's your secret?**

I don't really have a secret... (I love cake) although only recently me and Aemelia Fox have been smashing the gym together!

**Do you also watch what you eat, or is every day a cheat day?**

I try and clean eat, since starting the gym I've tried to follow a diet plan.. there's only one issue - I love cake.

**What's the dirtiest meal you regularly stuff your face with?**

Does chocolate cake count as a meal?

**You've gotta have a drink to wash it down as well. What's your alcohol of choice?**

Generally I'll drink anything. But I am a lover of cocktails, Mai Tai's specifically!

**Summer means festival season, got any dates or gigs you're looking out for?**

I'll be going to Slamdunk Festival, Download and Boomtown! Maybe a few more if I survive okay.

**Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you?**

I am torn between a beautiful forest setting, or a crazy urbex abandoned building. A must is to have amazing light and good surroundings to pose with!

**Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains?**

Rebecca Crow is just amazing. What she is doing for girls in the industry is just incredible right now.

SUMMER IS FAST APPROACHING HERE IN THE UK. WHAT DO YOU

Welcome to Elite ladies, it's great to have such an wonderful double team onboard. How are you both? [P] I am great thanks so much! Excited to finally be a part of the team!

[S] I am fantastic - just super stoked to finally be here and meet you!

PHOTOGRAPHER: ATOM

We always love a duo shoot here at Elite. How do you guys know one another? [P] I know Stormy from back in the day when we worked together at Rock'N'Roll Tattoo! Ever since then we got along and became really close friends.

[S] Yeah we went through some really intense things together, that brought us really close. She always has my back and I trust her. I think that really shows in our pictures.

What did you enjoy most about the shoot? Is one of you more dominant, or are you quite complementary together? [P] I think we complement each other very well! I loved working with Stormy and Elite! It was a great day!

[S] We are just very different in our looks and unique in our own ways. That's what makes us special in a duo shoot. I think neither of us are not really dominant, but rather compliment each other very well.

Who between you would you say...

...is the kinkiest? [P] I think we both can be quite kinky

...is the best dancer? [S] We are both goof balls haha. We like to enjoy ourselves and have fun. That's what matters.

...looks best in the shower? [S] 100% Paulinki. I mean look at her!

...would make the best assassin? [P] I think I'm the better assassin haha - look all cute and innocent and then take 'em down.

If you girls were going away on holiday together, where would you go, what activities would you book, and what would the dress code be? [P] We would probably go somewhere warm, with a pool, drinks and good music!

[S] I 100% agree - we need a good break and just dance in the sun at the beach with a cocktail in our hand while the sun goes down.

Photographer: ATOM

WHAT WOULD YOU SAY IS THE SEXIEST THING ABOUT ONE ANOTHER? **[P] STORMYS BUTT! DEFINITELY THE BUTT HAHA.**  
**[S] HAHA WELL THANKS. I THINK PAULINKI IS FULL PERSON HAS A RADIANT VIBE AND IS SUPER ATTRACTIVE.**  
**HER EYES AND TATTOOS ALWAYS GET ME!**

What are you both looking forward to most this summer? Festivals, bikinis or applying sunscreen to each other? [P] I am actually really looking forward to this summer, I've already planned loads of holidays and shoots. It will be a great summer.

[S] I am just super busy with life, friends and visiting my home in Germany, also friends flying here. Meeting new people and photographers and hopefully some more SGH girls. I can't wait for what's to come!

When you're shooting again for Elite's virtual pages, what would you like the theme to be? And will we be seeing you go solo, or are you happy to team up again? [P] I would love to work together again, regarding the theme we probably need to think about it, but I'd love to do some summery 'chilling at the pool' shots.

[S] I honestly love working with you! You know I'm easy going and super open, so throw a crazy idea at me and I will probably say yes haha. I love solos, but also really enjoy shooting together with one or more of my babes. They are all just too gorgeous to say no too.

Can we get a final word for our appreciative audience from this month's dream team please? [P] You will definitely see us again!

[S] I can't say how much I love being part of all this and you giving us this opportunity. Paulinki and I couldn't be any happier!

A person with extensive colorful tattoos on their arms and legs is lying on their back on a light-colored outdoor sofa. They are wearing a pink bikini bottom with a silver chain. Their legs are raised and bent at the knees. The background features a brick wall and a white door. The scene is brightly lit, suggesting daytime.

Hi Kaotika! Welcome to Elite Online Magazine, how are you today? Hello to the best team in the world!

**What part of the world are you from?** I'm very well here in my country, Argentina. I am enjoying the beautiful sunny days, surrounded by a lot of nature!

I live in a small town called Santa Fe. I really love my town. I know you would love it her too! It's full of places to make great photos, a lot of craft beer, good food, rivers, nature reserves and much more fun!

**WHAT DO YOU THINK IS YOUR BEST FEATURE? THE PART THAT I MOST LIKE ABOUT MYSELF ARE MY LEGS! I LIKE THEM FEELING STRONG!**

**What is your country famous for?** Here you can enjoy incredible homemade foods that would make you lose your mind! We also have different 'views' for example The Glacier Perito Moreno is an incredible place to go.

**How do you say sexy in your native language?** Well, here if we say to a person who is too sexy we say "Que buena que esta!" It means something like... wow, how sexy are you.

**How does it feel to be in the world famous Elite Online Magazine?** Being part of Elite is one of the best things that happened in my life! I met such good people, and I love to travel to beautiful parts of the world and to do it with them is something unique! I am very happy to be part of Team Elite.

**Did you enjoy our shootfest in Malaga?** When some one asks me about Malaga, the first thing that comes to my mind is how incredible it was and how much we enjoyed that shootfest! What I loved the most, was the place and the beautiful people I met. Being on a mountain, with a beautiful view, with gorgeous girls and talented photographers. The house, and the excellent people were the perfect combination.

**What is it like modelling in your country?** It is pretty quiet, but still cool! There are a lot of possibilities to do what you want! I started from very young at 17 years old with modeling and I always enjoy all my experiences.

Photographer: ATOM

WHO DID YOU ENJOY MEETING MOST IN MALAGA? I WILL NEVER FORGET ALL THE GIRLS, THE GROUP WAS SO CONNECTED, WE HAD A LOT FUN! I ENJOYED MEETING EVERYBODY THERE, THEY ARE ALL AMAZING PEOPLE.

**Hi Tommy! Welcome to Elite Online, how you doin'?** Heya! I'm great thank you lovely to be here!

**Wonderful to have you featuring, what's it like being on the other end of our lens?**

Ahh it's amazing! It's been in the works for like 2 years so was brilliant to finally come up and shoot! Had such an awesome day and so much fun.

**We're always fascinated to find out how our models keep in such tremendous shape. Do you work out? What's your secret?**

Oh god, this is awful! I don't really do anything! Pizza and lollipops is what I live on haha! I do perform a lot though and that's quite rigorous so maybe that helps!

**Do you also watch what you eat, or is every day a cheat day?**

Everyday is a cheat day for me! I eat what I want when I want!

**What's the dirtiest meal you regularly stuff your face with?** A large stuffed crust Papa Johns! Or I am quite partial to a Nando's with ALL the sides. Especially corn... I love corn.

**You've gotta have a drink to wash it down as well. What's your alcohol of choice?** I don't actually drink! But if I do I'll have a cheeky Disaronno and coke.

**Summer is fast approaching here in the UK. What do you look forward to the most when the sun comes out?** I love chill pub days eating all the cheesy chips and onion rings outside! Or day trips to the beach.

**Summer means festival season, got any dates or gigs you're looking out for?** Ooh! I'm quite excited about performing at a lot of them this year, especially the Gothic Circus on the Isle of Wight. There is another, but I can't say much right now... I guess you'll just have to wait and see!

**Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you?** I don't really have a favourite place to shoot, although I would love to do more location work! As long as a place has an interesting vibe I'm down for it. Good music is always a must and also, to be able to have a laugh! I talk so much and can't deal if the conversation is dead.

**Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains?** I'm always forever inspired by the lovely Rebecca Crow, especially as of late! But also my lovely best friend OhSammiii who has been there for me through thick and thin! Love her to bits and don't know where I'd be without her!

**What have you been...**

**...listening to recently?** A load of my favourite band, Motley Crue!

**...watching recently?** A lot of Netflix! Mainly Sabrina,  
I love anything a bit weird and witchy.

**...wearing recently?** I'm such a homebody I spend 99.9% of my life  
either in my underwear or naked, does that count!?

Photographer: ATOM

IT'S BEEN A BLAST, THANKS FOR TAKING THE TIME TO SPEAK WITH US. HAVE YOU GOT A MESSAGE FOR EVERYONE SEEING THIS? NO PROBLEM THANK YOU SO MUCH FOR HAVING ME AND I HOPE TO SEE YOU AGAIN SO SOON! AND MY MESSAGE TO EVERYONE IS... STAY AWESOME! KEEP GOING, WHATEVER YOUR GRIND IS, YOU GOT THIS! SOMETIMES YOU JUST NEED SOMEONE TO TELL YOU YOU CAN DO IT, SO IF YOU READ THIS AND NEEDED THAT TODAY... KEEP GOING!

The person's arm, featuring a colorful tattoo, is visible on the right side of the frame, reaching towards a cluster of small purple flowers. The background shows a large tree trunk with rough bark and more green foliage with purple flowers. The overall scene is bright and natural.

**Hey Zoe! Welcome back to Elite Online, how you doin'?**  
I'm great thank you!

**Wonderful to have you featuring, what's it like being on the other end of our lens?**  
So much fun! I always have the best time shooting with you guys!

**We're always fascinated to find out how our models keep in such tremendous shape. Do you work out? What's your secret?** To be honest my diet is pretty awful, but I try to workout a few times a week in a hope to balance it out a bit!

**Do you also watch what you eat, or is every day a cheat day?** I'm terrible at eating well! I try my best, but I don't have much will power or self control when it comes to food!

**What's the dirtiest meal you regularly stuff your face with?** A big greasy pizza is my absolute favourite! Especially if I'm hungover!

**You've gotta have a drink to wash it down as well. What's your alcohol of choice?** Can't beat a Pina Colada!

**Summer is fast approaching here in the UK. What do you look forward to the most when the sun comes out?** I just love the hot weather and lounging around in the sun with a cocktail!

**Summer means festival season, got any dates or gigs you're looking out for?** I'm off to Download Festival in June, which I'm SO excited for!

**Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you?** I love shooting outdoor, especially out in the countryside where it's super pretty and peaceful! A must on set for me is snacks and good tunes!

**Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains?** Ah there's so many amazing ladies that inspire me! I'd definitely say Rebecca Crow, she's just an amazing person all round!

A woman with long, wavy red hair is posing on a grey lounge chair outdoors. She is wearing a red and black patterned bikini bottom. She has several tattoos: a large, colorful, tribal-style tattoo on her right arm and shoulder, a tattoo of a bird on her left thigh, and a tattoo of a flower on her right thigh. She is holding onto a metal pole of the lounge chair with her right hand. In the background, there is a swimming pool, some greenery, and a white building.

**WHAT HAVE YOU BEEN...**  
**...LISTENING TO RECENTLY?** I'VE BEEN LISTENING TO A MIX OF STUFF RECENTLY! A LOT OF DEF LEPPARD, BILLIE EILISH AND MOTLEY CRUE

**...WATCHING RECENTLY?** GAME OF THRONES OF COURSE! AND I'M ALWAYS WATCHING BROOKLYN 99 ON REPEAT!

**...WEARING RECENTLY?** I'M LOVING FLARES AT THE MOMENT, I'VE GOT A FEW PAIRS IN SOME FUNKY COLOURS AND ANIMAL PRINTS, HAVEN'T BEEN BRAVE ENOUGH TO WEAR THEM OUT YET THOUGH!

Welcome to Elite ladies, it's great to have such an wonderful double team onboard. How are you both?  
[S]Awesome! Thank you so much for having us!

[H] Great! Yes, thank you for having us!

We always love a duo shoot here at Elite. How do you guys know one another?

[H] So we met through Suicide Girls, but considering we both live in Glasgow it's weird that we never bumped into each other before this shoot, especially cause we both go to the same club!

[S] Yeah we both go to the same grimey rock club in Glasgow all the time and never met each other before that! It's a small world!

**What did you enjoy most about the shoot? Is one of you more dominant, or are you quite complementary together?** [S] I definitely think I'm the more dominant one, I feel like I'm always trying to hold her head or touch her body to show I'm in control!

[H] Oh I'd say that Syrinn is the more dominant one for sure, she's good at being in control.

If you girls were going away on holiday together, where would you go, what activities would you book, and what would the dress code be? [H] Definitely somewhere hot and sunny, and somewhere you could party - like Ibiza! Dress code would be bikinis and short skirt/skirts! We'd just party and sunbathe constantly I think.

[S] Definitely Ibiza!! We'd be out clubbing every night, and on the banana boats during the day to cure the hangovers! Dress code is short shorts and bikini tops obviously!

What are you both looking forward to most this summer? Festivals, bikinis or applying sunscreen to each other? [S] Well I'm naturally ginger, so I need someone to apply my factor 50...

[H] Ooh definitely bikinis, but I do need someone to help make sure I get a even tan you know?

Who between you would you say...  
...is the kinkiest? [H] Ha! Definitely  
Syrinn. [S] Yeah! Probably me.

...is the best dancer? [S] Again, me! [H]  
Ooh, I'm a really good dancer but so is  
she, call it a tie?

...looks best in the shower? [H] I'd  
probably say me, can get a bit steamy. [S]  
Definitely Holly!

...has the best hidden talent? [S] Also  
me. I'm a shit hot singer and I ride horses  
like a pro. [H] Well I'm a really good  
singer I just don't do it very often (I sang  
in the royal concert hall in Glasgow)

...would make the best assassin? [H] I  
would say Syrinn, I bet she can get really  
creative! [S] Mmm, probably Holly, she's  
much fitter than I am.

Photographer: ATOM

When you're shooting again for Elite's virtual pages, what would you like the theme to be? And will we be seeing you go solo, or are you happy to team up again? [H] Ooh like a Halloween theme? Or maybe naughty nurses who knows! I'm happy to team up again! We do look good together, but I'm also happy to go solo.

[S] I'd love latex or Halloween theme! Halloween is my favourite holiday and I always kill it with the costumes! I'd be happy to go solo and team up again! We make a good duo!

CAN WE GET A FINAL WORD FOR OUR  
APPRECIATIVE AUDIENCE FROM THIS  
MONTH'S DREAM TEAM PLEASE? [S]  
THANK YOU SO MUCH FOR READING  
THIS ISSUE OF ELITE, AND WE HOPE  
WE MAKE IT WORTH YOUR WHILE!  
MAKE SURE YOU LET THEM KNOW IF  
YOU WANNA SEE US AGAIN!

[H] THANK YOU FOR CHECKING OUT  
THIS ISSUE OF ELITE! WE HOPE YOU'LL  
WANNA SEE US AGAIN SOON.
